"Hell-o Midland and Odessa. I want to invite you to come to a sneak peek, at Noon on Friday November 7th, of the new Springboard Center located at 200 Corporate Drive in Midland. I will be there to welcome those who have interested in this beautiful new health care facility and to greet the great fans of Mrs. Chancellor of The Young and The Restless. It will be open to everyone and I will be signing autographs, giving out Y&R memorabilia and picking four lucky people to have lunch with me after the event. I hope to see you there"
